## **Information regarding placement on the Casuarina Waiting list**

Casuarina has a comprehensive enrolment process that aims to:

- Provide in depth information about the school to enable parents to make informed decisions about enrolment of their child (ren) at the school
- Provide teachers with information about the child and the family's goals and expectations to enable the school to make informed decisions about proceeding with enrolments

There are times when the enrolment process cannot be completed because:

- There is currently no position available in the relevant class
- The family currently resides out of area and cannot attend for interviews
- The child (ren) to be considered for enrolment is not yet 5 years of age.

If the family elects to have their child(ren) placed on waiting list:

- An \$80 per family, non-refundable fee will apply for placement on the waiting list
- The waiting list fee will be deducted from the enrolment fee if the enrolment proceeds
- They are required to inform the school of any change of contact details

**Placement on the waiting list DOES NOT entitle the child to enrolment**
